

IMPORTANT GENERAL INSTRUCTIONS

1. Each prospective bidder is required to file a prequalification questionnaire consisting of an Experience Record, Financial Statement, and Equipment Schedule, on a form approved by this Department. An audited financial statement is required with each new prequalification. Audited or reviewed financial statements will be accepted with prequalification renewals.
2. A questionnaire may be filed with this Department at any time. The terminal of fiscal date established by the prospective bidder is effective for twelve months from the date shown. A prospective bidder is authorized a four-month grace period to prepare and file a new questionnaire.
3. Each prequalified prospective bidder will be furnished a copy of the questionnaire form during his anniversary month. This will serve as a notification of an approaching expiration date.
4. The prequalification questionnaire filed shall be a typewritten original or prepared in ink. Prequalification questionnaires completed in ink must be clearly legible.
5. All information and schedules herein shall be completed. A detailed Equipment List must be included in order to receive credit for the Book Value of the equipment.
6. If space is not sufficient, attach separate schedules and reference to appropriate asset/liability items.
7. To avoid delay, be sure that all signatures are affixed and notarized where indicated. (Corporate seal may be affixed to the Affidavit for Corporation.) No questionnaire will be accepted with any required signature omitted.
8. Accountant's Certificate must be signed by the individual preparing the prequalification questionnaire form as well as showing the Certified or Registered Public Accounting firm. The Accountant may use his own form of opinion to fit the individual case and attach to the questionnaire at Page 10 in lieu of the printed form. Any opinion given must clearly refer to the Financial Statement entered in the questionnaire.
9. The Questionnaire Form shall be returned to the Arkansas State Highway and Transportation Department, Attention: Programs and Contracts Division, P. O. Box 2261, Little Rock, Arkansas 72203.

If you are licensed in Arkansas, in lieu of the above procedure, you may submit a copy of the Arkansas Contractors License Application. (The copy must contain all required signatures.) When using the Arkansas Contractors License Renewal Application, please include Pages 1 and 2 of the application and a complete financial statement with notes and signed audited opinion or a reviewed financial statement with signed opinion. With the application, include a list of persons authorized to sign contract and proposal documents and a detailed list of any equipment owned by the organization.

10. Questions regarding the preparation or filing of the prequalification questionnaire form may be directed to the above address or by telephoning (501) 569-2261.
11. The Contractors Licensing Board is not a part of this Department and its licensing requirements are in no way related to the Department's prequalification requirements.

The attention of prospective bidders is directed to Arkansas Code §17-22-101 et seq., Act 150 of the 1965 Acts of Arkansas, being an "*Act Regulating the Practice of Contracting in the State of Arkansas*", and acts amendatory thereto. When the work offered is financed in whole with State funds and is estimated to cost \$20,000 or more, the prospective bidder must show evidence of license with the Contractors Licensing Board for the State of Arkansas before being furnished with a proposal form.

Contractors are not required to be licensed before bidding with the Arkansas State Highway and Transportation Department on Federal-Aid highway work but a low bidder must be licensed before a contract will be executed by the Commission.

Application forms for license may be obtained from the Contractors Licensing Board for the State of Arkansas, 4100 Richards Road, North Little Rock, AR 72117-2652. Telephone (501) 372-4661.
