### **Improvements to U.S. Highway 67/167 Require Overnight Lane Closures in White County**

**PULASKI COUNTY (6-22)** – Construction work on the U.S. Highway 67/167 and State Highway 36 interchange requires a series of overnight lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The ramp carrying traffic from U.S. 67/167 southbound to AR 36 in Searcy will be closed between **8:00 p.m. and 6:00 a.m. on Friday, June 24 and Sunday, June, 26**. Traffic will use the ramp as normal outside of the closure hours.

The closure only affects southbound U.S. 67/167 traffic traveling to State Highway 36. Motorists will be directed by signage to take the State Highway 367 (Exit 44) on southbound U.S. 67/167 and use the overpass to re-enter U.S. 67/167 northbound. Traffic heading towards State Highway 36 will then use the next exit ramp (Exit 45) and merge onto State Highway 36. The attached map illustrates this detour route.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).

# Interchange Detour

## Searcy, White County

Hwy 67 Ramp To Westbound Hwy 36 Closed

Westbound Traffic Use Queensway St (Exit 44) To Reach Westbound Hwy 36
