Bridge Work Requires Lane Closures on Wagon Wheel Road in Benton County

BENTON COUNTY (08-05) – Overhead bridge work on the new U.S. Highway 412 bypass in Springdale will require lane closures on Wagon Wheel Road, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The one-lane closures will take place **Monday, August 8 through Friday, August 12**, between **7:00 a.m. and 7:00 p.m.**, weather permitting. U.S. Highway 412 crosses Wagon Wheel Road in the general area between Arrowhead Cove and N. 64th Street. Flaggers will direct traffic on Wagon Wheel Road where one lane of traffic will be stopped prior to the work zone.

Advance warning signs will be placed to notify traffic approaching the work zone. The public is advised to be cautious if traveling in this work zone.

This project is part of AHTD's Connecting Arkansas Program and constructs approximately 4 miles of the new four-lane U.S. Highway 412 Northern Bypass, which extends from Interstate 49 to State Highway 112. The U.S. Highway 412 Northern Bypass project will provide a principal east-west route north of the Springdale Metropolitan Area. More information on this \$100.6 million project is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
