Repair of State Highway 158 Bridge Requires Road Closure in Mississippi County

MISSISSIPPI COUNTY (2-6) – The repair of a bridge will require the closure of a section of State Highway 158 west of Victoria, according to Arkansas State Highway and Transportation Department (AHTD) officials.

This work will require the partial removal and reconstruction of an existing bridge approximately 4.4 miles east of the intersection of State Highways 77 and 158 and 1.4 miles west of the intersection of State Highways 158 and 181. Work will begin at **8:00 a.m.** on **Monday, February 13, 2016**. Due to the amount of work required, the closure will remain in place for approximately 3-4 weeks.

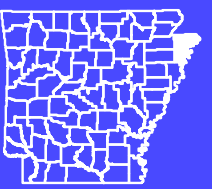

This closure will require a detour route, as depicted on the attached map. Local residents will be able to enter the work zone.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
