UPDATE!!!

Maintenance Work on Interstate 30 Requires Temporary Lane Closure near Caddo Valley

CLARK COUNTY (4-17) – Maintenance work on I-30 will require a temporary lane closure south of Caddo Valley, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will close alternating lanes of I-30 between mile markers 75 and 77 south of Caddo Valley, enabling them to complete bridge deck repairs to the County Road 30 Overpass. **Weather permitting; this closure will occur between 8:00 a.m. and 12:00 p.m. from Tuesday, April 18, through Thursday, April 20.**

Advanced warning signs and electronic message boards will be placed to notify approaching traffic of the lane closures. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
