Improvements to Interstate 440 Require Lane Shift in Pulaski County

PULASKI COUNTY (6-9) – Construction work on I-440 in Pulaski County requires a lane shift and overnight lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting; crews will reduce traffic to a single lane and begin moving the precast barrier wall in preparation for shifting eastbound traffic from the outside lanes to the inside lanes. This closure will occur every night from **9:00 p.m. to 6:00 a.m.** the following morning, starting on **Sunday, June 11** through **Thursday, June 15**.

Additionally on **Tuesday night, June 13**, this process will periodically require a 15 minute closure. Motorists are encouraged to take alternate routes as major traffic delays are expected during this time.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
