FAULKNER COUNTY (6-21) – The Arkansas State Highway and Transportation Department (AHTD) has identified a Preferred Alternative for a Highway 89 UPRR overpass and realignment project in Faulkner County, according to AHTD officials.

Following a review of potential impacts to the community of Mayflower and comments received from a Location Public Hearing held on April 6 to discuss the project, Alternative 3 has been identified as the Preferred Alternative for the UPRR overpass and realignment of Highway 89. A map of the preferred alternative is attached.

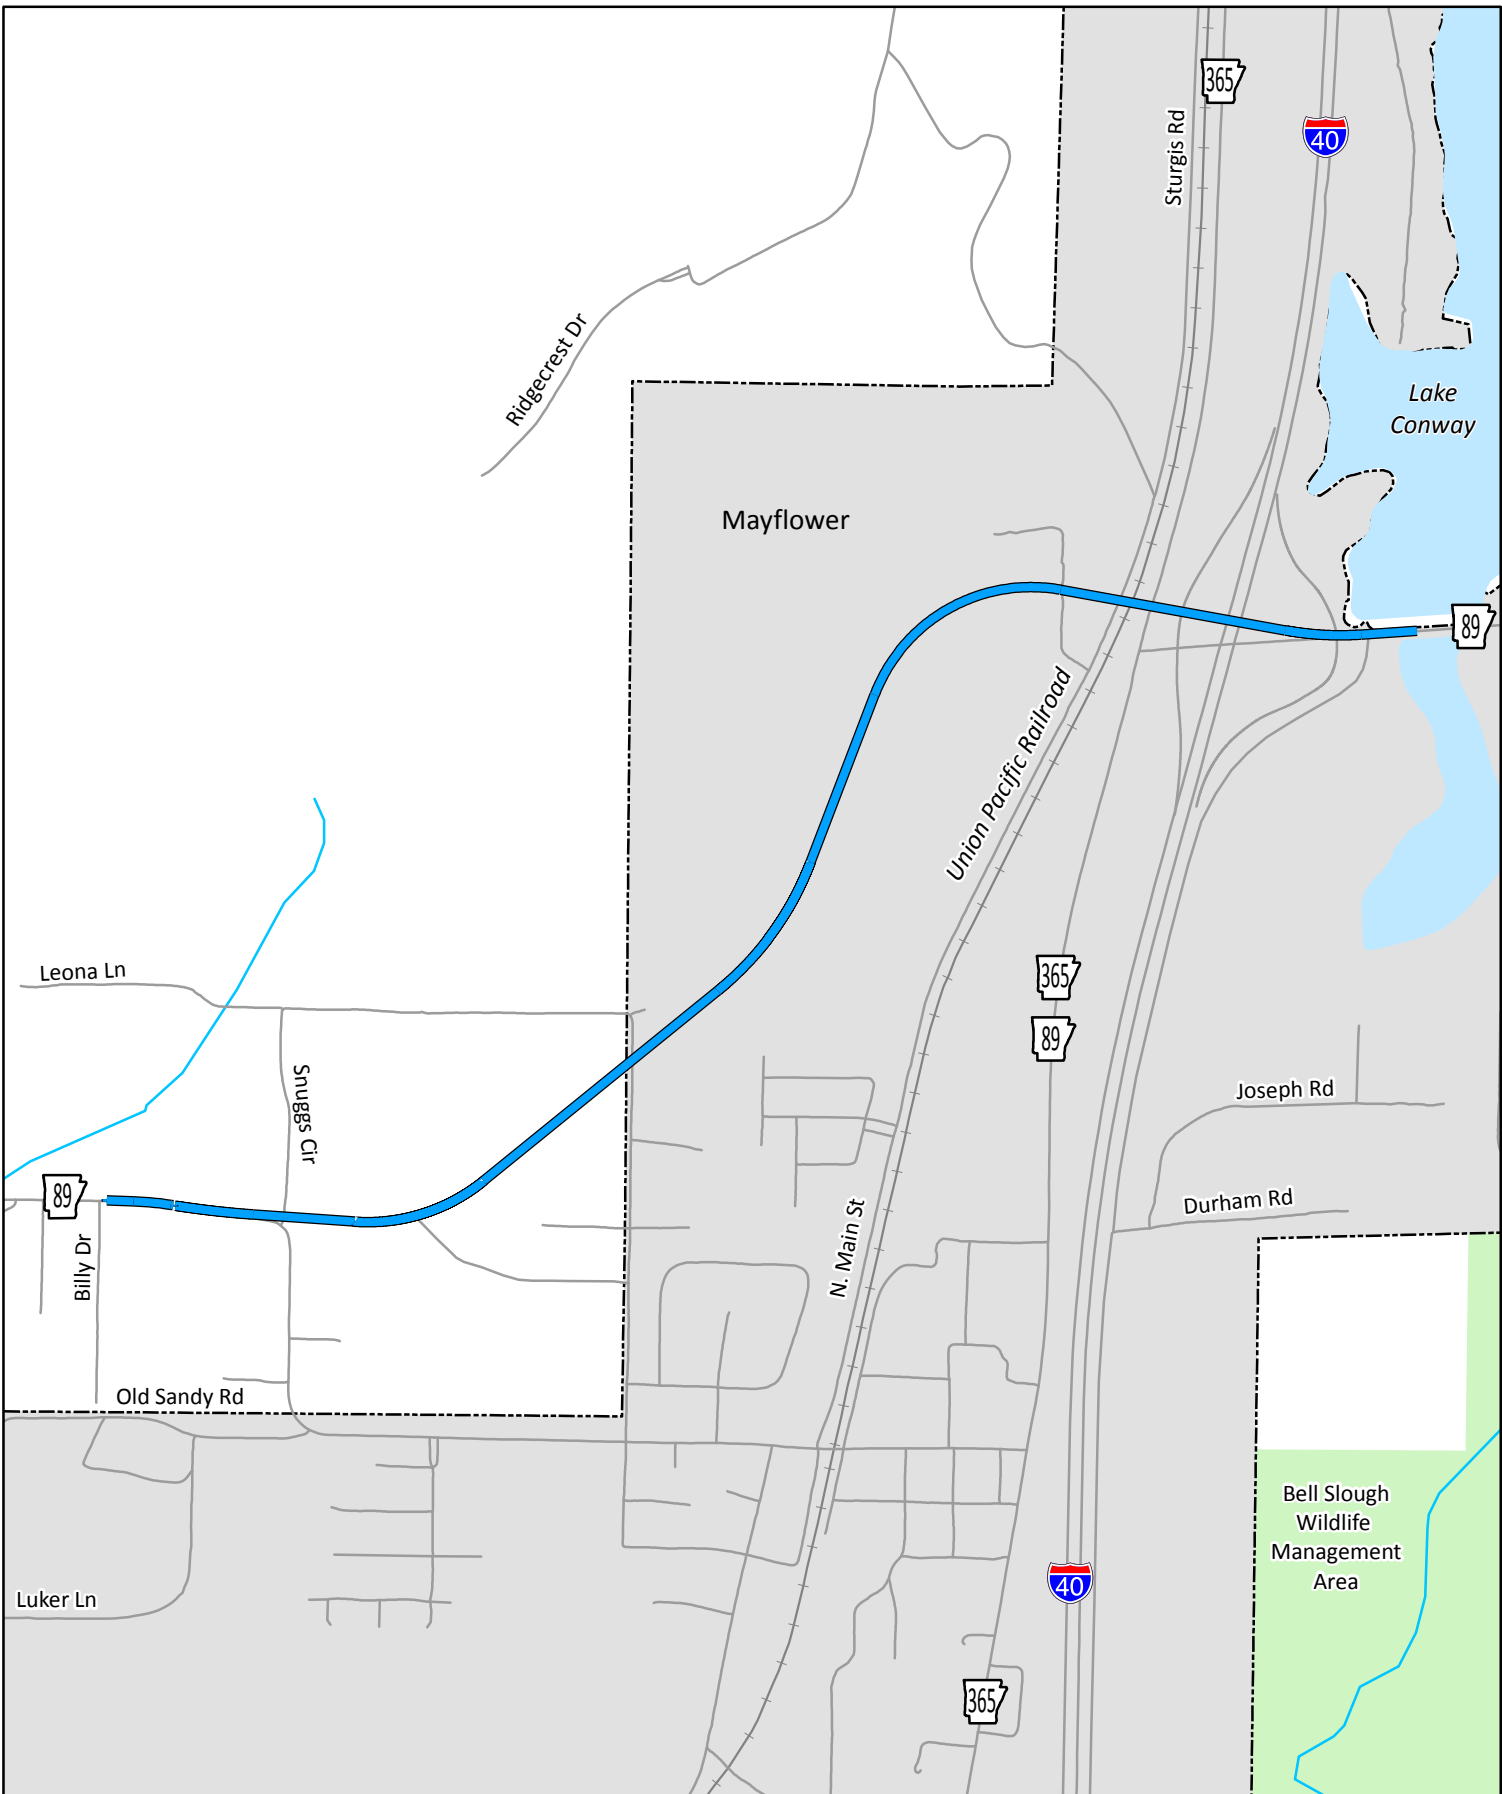

A Design Public Hearing will be held at a later date to provide more detailed information and give area residents another opportunity to comment on the project.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at www.idrivearkansas.com or www.ArkansasHighways.com. You can also follow us on Twitter@AHTD.
