### **Improvements to U.S. Highway 67 Require Frontage Road Lane Closures in Pulaski & Lonoke Counties**

**PULASKI & LONOKE COUNTIES (8-10)** – Construction work on U.S. Highway 67 frontage roads T.P. White Drive and John Harden Drive in Pulaski and Lonoke Counties requires intermittent lane closures, according to Arkansas Department of Transportation (ArDOT) officials.

Continuing **Sunday night, August 13 at 7:00 p.m.** through **Saturday evening, August 19 at 5:00 p.m.**, lane closures will be in effect on T.P. White Drive and John Harden Drive adjacent to U.S. Highway 67. The northbound and southbound lanes of T.P. White Drive and John Harden Drive will alternately be closed in multiple areas between Vandenberg Boulevard in Jacksonville and State Highway 5 in Cabot. Traffic will be reduced to one open lane and controlled with flagging operations.

This project (Job CA0605) is part of ArDOT's Connecting Arkansas Program and includes widening 4.6 miles of U.S. Highway 67 from Vandenberg Boulevard in Jacksonville to State Highway 5 in Cabot. The highway is being widened to three lanes in each direction. More information on this \$79.2 million project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov). You can also follow us on [Twitter @myARDOT](https://twitter.com/myARDOT).
