Maintenance Work on Interstate 430 Requires Temporary Lane Width Reduction

PULASKI COUNTY (12-21) – Maintenance work on Interstate 430 requires temporary lane width reduction in Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting; between **9:00 a.m.** and **12:00 p.m.** on **Friday, December 22** crews will narrow the northbound off ramp of the I-430 Markham St. (Exit 6B) in order to replace the metal crash attenuator.

Traffic will be controlled with signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
