### **2020 Transportation Alternatives Program & Recreational Trails Program Seminar Postponed**

**LITTLE ROCK (3-23)** – As recommended by health officials, the Arkansas Department of Transportation (ARDOT) is engaging in social distancing mitigation measures to help combat the spread of COVID-19 in Arkansas communities by rescheduling or cancelling certain events.

For this reason, ARDOT has **postponed the April 7, 2020, Transportation Alternatives Program and Recreational Trails Program Application Seminar in Springdale, Arkansas**. ARDOT's priority is the safety of its employees and the traveling public. This meeting will be rescheduled at a later date, still to be determined.

Department staff will discuss the current application deadline of May 1, 2020 during the coming weeks to determine how to proceed. Once a final determination is made, additional information will be released.
