Improvements to Cantrell Road Require Overnight Lane Closures

PULASKI COUNTY (7-31) – Construction work to improve Highway 10 (Cantrell Road) will require temporary overnight lane closures, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close a single lane of traffic in various locations on Cantrell Road between Sam Peck Drive and Pleasant Valley Drive beginning on the evening of **Monday, August 3** at **8:00 p.m.** These closures will reoccur every weeknight through **Thursday, August 13**, always opening by **6:00 a.m.** the following morning. The closures will be placed in different locations within the work zone as work progresses but will not restrict traffic accessing I-430.

Traffic will be controlled by traffic cones and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
