It’s Time for SPIRIT DAY!

NOVEMBER 1

Last year’s inaugural Spirit Day at the AHTD was such a success, we’re doing it again! The 2nd Annual Spirit Day, celebrating the football season, will be held FRIDAY, NOVEMBER 1ST.

On that day, all Districts, Divisions, RE Offices and Maintenance Headquarters are encouraged to show some team spirit and get ready for Saturday’s big game a day early! Wear your favorite team jersey or shirt, make your favorite tailgating food to share with everyone and plan your own unique way to show spirit.

Again this year, the Public Information Office will be sharing a selection of your Spirit Day photos in the Arkansas Highways Newsletter, so don’t forget to take pictures and send them in. And new this year, we want to hear about your favorite football memory. In 15 words or less, send us your favorite game day experience or football score and we will share a selection of those as well.

Begin making plans now and let’s make the 2nd Annual Spirit Day even better than last year’s!

Your 15-word favorite football memory should be emailed to: David.Nilles@ArkansasHighways.com. Photos should be submitted as color, high-resolution, digital images saved as JPEG format. Low-resolution images, or ones taken with a mobile phone, are discouraged as they will not print clearly. Email digital photo submissions to: Paula.Cigainero@ArkansasHighways.com.

Arkansas Highways Newsletter is published bi-monthly by and for employees of the Arkansas State Highway and Transportation Department as a medium of departmental news and other information.
Lendal Williams spends his days at the AHTD as a Sign Erector working on a District Four sign crew. However, leaving his job at the end of the day doesn’t mean Williams is finished working. There is work waiting at home. He and his family live on a farm near Huntington where they raise cattle, sheep and grow hay. The Williams family has operated the farm for 27 years and it is so successful that Lendal, his wife Tammie and their children, Jared and Breanna, were recently named the Sebastian County Farm Family of the Year.

The Farm Family competition is judged on farm production, efficiency and management of farm operations along with family life, rural/community leadership and values.

“We were shocked when we were told about the honor,” Williams stated. “We are very grateful and blessed to be able to continue to farm and do what we love.”

In addition to being Sebastian County’s Farm Family of the Year, the Williams have been selected as the Northwest District Farm Family of the Year, the first time the honor has been given to a family from Sebastian County.

“We can’t say enough about what Len and Tammie do for the community,” stated Jesse Bocksnick, Sebastian County Extension Agent. "This is a very big honor for the entire community. The Williams family is to be commended for the work that they do on their farm with their proactive and modern approach while balancing it with that old fashioned community and neighbor-first attitude that makes people proud to call them friends.”

Working at the AHTD fulltime and then putting in time on the farm makes for a long day. “I work from 7:00 a.m. to 5:30 p.m. at the AHTD, then I usually go straight home and check out the cattle and their feed,” Williams states. “During hay season, it’s usually dark before we go in the house. We do what has to be done at home no matter how long it takes.”

Both Len and Tammie have spent a lifetime farming. “We were both raised on family farms raising beef and dairy cattle, sheep, hogs, chickens and turkeys,” Williams says. “We both were very active members in 4-H and FFA programs through our school years. These experiences led us to develop a love for the farm lifestyle and to buy and start raising our own animals.”

As the Sebastian County Farm Family of the Year, the Williams family will join seven other farm families across the state in vying for State recognition as the Arkansas Farm Family of the Year. The process concludes with a banquet in December honoring each county winner and naming the selection of the State Farm Family of the Year.

First established in 1947, Arkansas’ Farm Family of the Year program is the longest running effort of its kind in the nation.
It’s time to start planning insurance needs or changes for the upcoming year. Open enrollment for insurance benefits is October 1 – 31. To help you plan, the Department is holding a series of insurance meetings in each District. See the table below for a meeting in your area.

This is the only time in the year to make changes to your benefits plan. During this time, you can add, drop, cancel or enroll in our group Health, Life, Dental, Vision and any other voluntary program.

Feel free to contact the AHTD Insurance Office at 501-569-2417 with any questions you may have. We will see you at the upcoming meetings!

  District 3
  Fair Park Community Center
  206 W Avenue a St.
  Hope, Arkansas
  ACTIVE: 8:30 am and 2:00 pm
  RETIRED: 11:30 am
Jeff Venable was named District Engineer for District 7 on September 19th.

Venable joined the Department in 1978 as an Assistant to the Resident Engineer in the District Three Resident Engineer Office in Hope. He worked in that office until 1981 when he left the Department to enter the civil engineering consultant field.

Venable came back to the AHTD in January of 1986 as a Construction Field Engineer I at Resident Engineer Office 64 in Hot Springs. In July of 1987, he was promoted to Advanced Construction Field Engineer. Venable transferred to Resident Engineer Office 65 in Little Rock in September of 1994 when he became the Assistant Resident Engineer. He was promoted to the position of Resident Engineer for the Camden Office in July of 2002. Venable obtained the position of District Maintenance Engineer for District 7 in October of 2008.

Venable has a bachelor’s degree in Engineering from Louisiana Tech University. He is a Registered Professional Engineer.

Jeff Venable was named District Engineer for District 7 on September 19th.

The top finishers in the AHTD’s Equipment Operators Roadeo headed east to Lexington, Kentucky, recently to compete in the 11th Annual Southeastern Regional Equipment Operators Roadeo.

The AHTD team members competed against Department of Transportation teams from Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, Virginia and West Virginia.

Six events awaited the participants including Tractor/Lowboy, Motor Patrol, Single Axle Dump Truck, Tandem Axle Dump Truck, Backhoe and Tractor Mower.

“The Regional Roadeo participants that competed in Lexington are the best in the business at what they do,” stated AHTD Director Scott Bennett.

At the end of competition, this year’s bragging rights as champions went to the team from Tennessee. Second and third place went to Kentucky and West Virginia, respectively. Arkansas’ team came in fifth place and also captured first place in the Tandem Axle Dump Truck event.

“Everyone at the Department is proud of the AHTD team’s efforts and the professional manner in which they represented the Department,” Bennett added.

Serving as judges from the Department were Danny Keene, Tara Robinson, Eddie Tanner, Kenneth Tucker and Crystal Woods. Tony Sullivan served as a dignitary, Doug Hicks as an official and Lynn Caple as a scorekeeper. ◆

**AHTD WINTER WEATHER POLICY**

As the weather outside begins to turn cooler, it is a good idea to know the Department’s winter weather policy and how it affects the AHTD work schedule.

There are times when the severity of weather conditions causes State offices to be officially closed, dismissed early or have a delayed opening. Information on closings is available on local radio and television stations. Employees may also access the Arkansas State Government website at [www.arkansas.gov](http://www.arkansas.gov) for the most up-to-date information regarding office closings or call the Governor’s inclement weather line at 501-682-2ICE (2423).

When the Governor declares that the Inclement Weather Policy is in effect, this usually means there will be a delayed start due to inclement weather conditions. It excuses non-essential employees from work until the delayed start time (typically a two-hour delay). Those who report to work after the delayed start time will be charged leave calculated between their arrival time and the official delayed start time. Those who do not report to work at all will be charged leave for a full day.

When the Governor or Director declares an early dismissal due to inclement weather conditions, non-essential employees are free to leave work. Those leaving after the official dismissal time will not be charged any leave time. Those who depart before the dismissal time will be charged leave from the time they depart to the official dismissal time.

When State offices are closed due to inclement weather, non-essential employees are not expected to report to work. Those who do not report to work will not be charged leave for the day.

For more details on the inclement weather policy, refer to a copy of the AHTD Personnel Manual or access the manual online at [www.arkansashighways.com](http://www.arkansashighways.com).

---

**Service Recognition PAYMENTS**

The Arkansas State Highway Commission has authorized Service Recognition payments for 2013. AHTD employees with at least ten years of qualifying State employment receive the annual service bonuses.

All eligible Department employees will receive a lump sum payment. The State’s accounting system (AASIS) requires that the payment of the service award be the same method of payment as the employee’s check. If an employee’s paycheck is direct deposited, the service payment will also be direct deposited. If the paycheck is mailed, then the service payment will also be mailed.

Social Security, Federal and State taxes, and retirement are withheld from the service bonuses. The payment is based on the total years of State service as of December 31, 2013.

As established by the laws of Arkansas, the amount of an employee’s annual service bonus is as shown below:

<table>
<thead>
<tr>
<th>STATE SERVICE BONUS AMOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td>10-14 Years .................. $600</td>
</tr>
<tr>
<td>15-19 Years .................. $700</td>
</tr>
<tr>
<td>20-24 Years .................. $800</td>
</tr>
<tr>
<td>25 Years &amp; Up ................ $900</td>
</tr>
</tbody>
</table>

The service bonuses will be mailed from the State Capitol no later than November 7th and direct deposited no later than November 8th.

If you are in arrears on your child support, up to 50% of the net lump sum payment of the Service Recognition can be withheld in order to satisfy the past due child support.

New Policy Allows SHARED LEAVE

A new policy that allows AHTD employees to donate accrued sick leave or accrued annual leave to another employee went into effect in August of this year.

Arkansas Code Annotated 21-4-217 allows certain employees to donate their leave time to another worker employed by the same State agency and who has a severe illness, or has an immediate family member who is severely ill.

An employee is eligible to donate shared leave when he or she has a combined total of earned sick leave and earned annual leave in excess of 80 hours and has not been disciplined for an abuse of leave in the past two calendar years.

An employee is eligible to obtain shared leave if he or she is a full-time employee, has been employed continuously for more than one year by the Department, has applied in writing for shared leave and has received written approval for shared leave.

More information on the new leave policy can be found on the Human Resources Division intranet page. From http://ahtdnet, click on Human Resources and then on HR Manuals. Finally, click on Personnel Manual and proceed to “Shared Leave” on page 5-20.

FOUR DAY WORK WEEK ENDS OCTOBER 30

AHTD employees currently working the four-day work schedule will return to the normal five-day, eight-hour work schedule beginning on Thursday, October 31st.

Upcoming Dates to REMEMBER

OCT. 11-20
• Arkansas State Fair and Rodeo

OCT. 30 // WEDNESDAY
• AHTD Commission Meeting
  Central Office, Little Rock, 9:00 a.m.
• AHTD Bid Letting
  Central Office, Little Rock, 10:30 a.m.
• Four-Day Work Week Schedule Ends

OCT. 31 // THURSDAY
• Changes to Insurance Plans are Due to Human Resources

NOV. 1 // FRIDAY
• AHTD Spirit Day
  (See details on pg 2 of this issue.)

NOV. 3 // SUNDAY
• Daylight Saving Time Ends

The Arkansas State Highway and Transportation Department (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibit discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age, national origin, religion or disability, in the admission, access to and treatment in the Department’s programs and activities, as well as the Department’s hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department’s nondiscrimination policies may be directed to Joanna P. McFadden Section Head – EEO/DBE (ADA/504/Title VI Coordinator), P. O. Box 2261, Little Rock, AR 72203, (501) 569-2298, (Voice/TTY 711), or the following email address: Joanna.Mcfadden@arkansashighways.com. This notice is available from the ADA/504/Title VI Coordinator in large print, on audiotape and in Braille.
